

If someone is injured at work...

1 **Immediately**
provide first aid treatment

2 **Promptly** report the injury
to the supervisor or employer

Report injuries, close calls or hazards that you cannot correct to:

Name:

Phone #

3 **Report** the injury
to the Yukon Workers' Compensation
Health and Safety Board as required by law:

- Immediately if a major injury
(including fractures, loss of consciousness, etc) (867) 667-5450;
- Within 72 hours if not a major injury;
- Report close calls that could have resulted in a major injury (867) 667-5450;

4 **Plan** for quick and safe
return to work

Studies show that healing is faster and more complete the sooner an injured worker returns to his/her job.
